MPO Seeks Public Comment for Year 2040 Transportation Plan

The Huntsville Area Metropolitan Planning Organization (MPO) will be holding a series of public involvement meetings to seek comment on the Draft Year 2040 Transportation Plan. The plan is required by federal regulations to be written every five years. The document lists various transportation projects that are planned to be constructed from the years 2015 through 2040. The meetings are scheduled as follows:

- MPO Citizens Advisory Committee meeting– January 5, Huntsville City Hall 7th floor, 308 Fountain Circle, Huntsville Alabama at 5 pm.
- Year 2040 Transportation Plan public involvement meeting (open house format)– Showers Center, 4600 Blue Springs Road, Huntsville, Alabama, Tuesday January 6, from 5 pm until 7 pm
- Year 2040 Transportation Plan public involvement meeting (open house format) – Madison City Hall, 100 Hughes Road, Madison, Alabama, Thursday January 8, from 5 pm until 7 pm
- Year 2040 Transportation Plan public involvement meeting (open house format) – Owens Cross Roads Town Hall, 9032 Highway 431 South, Owens Cross Roads, Alabama, Tuesday January 13, from 5 pm until 7 pm
- Year 2040 Transportation Plan public involvement meeting (open house format) –Monrovia Community Center, 254 Allen Drake Drive, Huntsville, Alabama 35806, Thursday January 15, from 5 pm until 7 pm
- MPO meeting with presentation and call for vote of approval of the Year 2040 Transportation Plan – January 21 at 4:00 pm at Huntsville City Hall.

The plan is available on the MPO's website at <http://www.huntsvillempo.org>. Persons can also submit their comments via e-mail at longrangeplanning@huntsvilleal.gov.

For additional information, please visit the Huntsville Metropolitan Planning Organization's website at: <http://www.huntsvillempo.org> or call the City of Huntsville Planning Division at 427-5100.

MAP-21 Legislation Extended; GROW America Act to Be Considered

By: *Jeremy McNeil*

The Moving Ahead for Progress in the 21st Century Act (MAP-21) expired September 30, 2014; however, Congress approved its' extension until May 31, 2015.

MAP-21 was signed into law by President Obama on July 6, 2012. Funding surface transportation programs at over \$105 billion for fiscal years (FY) 2013 and 2014, MAP-21 is the first long-term highway authorization enacted since 2005. The extension insures that highway programs are continued until Congress can approve new legislation for the highway trust fund.

MAP-21 Legislation Extended...(Continued from page 3)

Earlier last year, DOT Secretary Foxx presented to Congress a multi-year \$302 billion surface transportation reauthorization proposal: The GROW AMERICA Act, or Generating Renewal, Opportunity, and Work with Accelerated Mobility, Efficiency, and Rebuilding of Infrastructure and Communities throughout America. This act focuses on:

- Supporting a healthy environment
- Expanding our ability to move freight
- Growing investment in transportation
- Making critical investments in highways and bridges
- Promoting innovative financing
- Building ladders of opportunity
- Empowering local decision makers
- Creating more efficient project delivery
- Investing in rural America
- Improving transportation safety
- Supporting safe, reliable public transit
- Shaping a pathway to transportation careers

The Administration proposes to fund the GROW AMERICA Act through a pro-growth, business tax reform, without adding to the deficit. All of this must clear Congress, though. The Administration hopes that the Act can be approved before the MAP-21 Extension expires.

House and Senate Appropriations Committees Approve \$1 Trillion FY '15 Funding Bill

By: *Jeremy McNeil*

By a vote of 56-40 late Saturday, December 13, 2014, the Senate cleared the FY 2015 Omnibus Appropriations Act for the President's signature. The \$1.1 trillion bill funds most federal agencies through the end of the fiscal year, with the exception of the Department of Homeland Security, which is funded through February 27. President Obama signed the bill on December 16, 2014.

The chart below shows the approved US DOT funding by program. Most programs are frozen at the FY'14 funding levels. The final bill restores most of the funding cuts that the House had proposed for discretionary programs, such as Amtrak, FTA Capital Improvement Grants and TIGER, that are funded with General Funds. Despite expected passage of a full-year appropriations bill, programs funded with Highway Trust Fund money, such as the highway and transit formula programs, will not be authorized to expend any funds as of May 31, 2015 when the short-term MAP-21 authorization bill expires, unless Congress passes another short-term extension or preferably, a multi-year bill.

US DOT Program Funding

Program	FY'14 Funding	FY'15 US DOT Request -per the GROW AMERICA Act authorization	FY'15 House Approved Levels	FY'15 Senate Approved Levels	Final FY'15 Funding Level
Core Highway Program - Obligation Limit	\$40.25B	\$47.32B	\$40.25B	\$40.25B	\$40.25B
Transit Formula - including Bus and Bus Facilities	\$8.6B	\$13.91B	\$8.6B	\$8.6B	\$8.6B
Transit Capital Improvement Grants (New Starts/Small Starts/Core Capacity)	\$1.94B plus unused prior year funding = \$2.13B total	\$2.5B	\$1.69B	\$2.16B	\$2.12B
Airport Improvement (AIP) Grants	\$3.35B	\$2.90BB	\$3.35B	\$3.48B	\$3.35B
TIGER Discretionary Grants	\$600M	\$1.25B	\$100M	\$550M	\$500M
Amtrak Total	\$1.39B	\$2.45B	\$1.19B	\$1.39B	\$1.39B
High Speed Rail	\$0	\$0	\$0	\$0	\$0
