Access Management on, Intersection Improvements and Resurfacing on South Memorial Parkway (AL-53) in the City of Huntsville Madison County

The Alabama Department of Transportation (ALDOT), is proposing to improve several intersections along the South Memorial Parkway (SR-53) Corridor from Veterans Drive SE to south of Weatherly Road in the City of Huntsville. The project will also have some access management and resurfacing of the corridor. The project is 2.3 miles north of the Tennessee River and Madison/Morgan County Line. The deadline to submit comments on the proposed project is **November 1, 2021**.

The project is located on South Memorial Parkway (SR-53) (US-231). The project begins at Veterans Drive and continues North to just South of Weatherly Road. The project is approximately 1.5 miles long. Proposing to reduce the number of access points to limit confusion and conflicts, increase turn lane to reduce congestions at intersections, and resurface.
